

It pays to protect
the planet

Get up to **£600 cashback** when you make
the change to an eco-friendly heat pump.

It's time for change. Away from fossil fuels,
inefficient tech and polluting the planet,
towards a better way of heating our homes.

Choose sustainable home comfort, with a Daikin heat pump.

We're helping you offset the cost of upgrading your boiler to an
eco-friendly heat pump.

From June, you can receive up to **£600 cashback** when you replace
your old LPG, oil or solid fuel boiler with a heat pump – for a saving
that's good for your pocket, and even better for the planet.

But be quick – this offer is **only available until 31 October 2020.**

How does the Boiler Scrappage Cashback work?

Find a qualified heating engineer from Daikin's Sustainable Home Network, and once they have replaced your old, inefficient LPG, oil or solid fuel boiler with a more eco-friendly heat pump system, you can claim up to £600 cashback as soon as you've registered your warranty.

Visit the website, daikin.co.uk/boilercashback to request your cashback voucher, and say hello to efficient home heating that's better for the environment too.

Three simple steps

Step 1

Complete our simple online form at daikin.co.uk/boilercashback to receive your cashback voucher

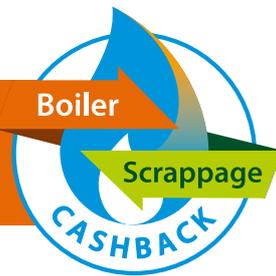

Step 2

Once your heat pump's installed, register your warranty via the **Stand By Me** online portal

Step 3

Claim your cashback by entering your **Stand By Me** ID and voucher code at daikin.co.uk/claim

You'll receive up to £600 cashback if you scrap your old LPG, oil or solid fuel boiler for an eco-friendly heat pump.

Ready to bring change into your home?

Visit daikin.co.uk/boilercashback to start the process
